## Setting up Application Environment

# Create IBM Cloud Account

**Step1:** Navigate to ibm academic and register with your smartiternzmail

The image shows two screenshots from a web browser. The top screenshot is the IBM SkillsBuild Software Downloads landing page. It features the IBM logo, navigation links for SkillsBuild, Topics, Usage terms, Additional Resources, and FAQ. The main heading is "IBM SkillsBuild Software Downloads". Below this, a paragraph states: "Harness the power of IBM. Get easy no-charge access to the tools you need to develop the next great thing. Enjoy powerful technical and strategic resources from IBM. Jump right in with access to powerful services and the most prominent open-source computer technologies, or take advantage of hands-on resources that will teach you about data science, artificial intelligence, security and more." At the bottom of this section are two buttons: "Already registered? Log in" and "Register now". The bottom screenshot shows the registration form. It has a heading "Enter your academic institution issued email to begin". Below this, a note states: "Only the students and faculty of participating academic institutions are eligible to access this website. Please enter your academic institution issued email below to register." There is a text input field containing the email address "913119104106@smartiternzmail.com". Below the input field is a link that says "Find answers in our frequently asked questions". At the bottom of the form is a blue "Submit" button. A "Cookie Preferences" link is visible in the bottom right corner of the browser window.
